MADRAS OFFICE S. SOUTH KANARA MANGALORE. Rec'd 9 AUG 1927

From (Name) M.R.Ry. M. Ramakrishna Punja Avargal,

(Designation) President, Taluk Board, Mangalore.

To The Secretary to the Government of Madras,

Through, Law (Education) Department. Madras.
The President, District Board, South Kanara.

Sir,

I have the honour to state that the District Advancement Association here got the services of a specialist in --- rattan work and arranged for special training in the same. My Taluk Board with a view to introduce rattan work in Higher Elementary schools deputed six teachers to undergo the said course. The training was at first intended for six months; but after the period was over, the course had to be extended for a further period of six months as the teachers had to learn much on the subject. During the first six months the instructor was paid from the District Association Funds. For the latter six months as the association could not pay the instructor, the Taluk Board

Board had to pay at the rate of Rs 5/- per mensem for each teacher undergoing training. This amount comes to Rs 30/- per mensem. The teachers undergoing training were paid the salary which they were getting in their schools. The total emoluments of these six teachers comes to Rs 106. The work of these teachers is being managed in their schools without substitute. Hence there was no additional cost to the Taluk except the payment to the instructor for six months at the rate of Rs 30/- per mensem as stated above and the payment of actual travelling allowance to these teachers viz., Rs 6-8-0. The District Inspector of Local Fund Accounts has objected to the payment of the allowance to the teachers and the instructor from Elementary Education Fund. I request therefore that the Government may be pleased to accord sanction to the payment of charges referred to above from the Elementary Education Fund.

2. I beg to enclose copies of the Taluk Board's resolutions in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

M. R. Pai

President.
